

Mechanical tools / Multipurpose tools

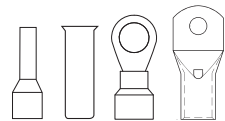

Multi-tool  
that includes 5 sets of dies

### 20104 SF-C

The SF-C includes five sets of interchangeable dies. This versatility makes it an all-in-one solution for various crimping tasks, offering efficiency and convenience in a single device.

**Multi-tool with 5 sets of dies:**

- Insulated terminals: 0.5-6 mm<sup>2</sup>
- Cord end terminals: 0.25-10 mm<sup>2</sup>
- Cord end terminals: 10-35 mm<sup>2</sup>
- Twin cord end terminals from 2X (0.5-6 mm<sup>2</sup>)
- Non-insulated terminals from 0.5-10 mm<sup>2</sup>

Supplied with a carrying bag and screwdriver to facilitate changing dies.

| Code   | Ref. | Crimping range       | Length | Weight  |
|--------|------|----------------------|--------|---------|
| 380035 | SF-C | According to the die | 243 mm | 0.75 kg |
