Cable ties

20106 SF-39

- The SF-39 tensioning tool is designed to efficiently tension and cut plastic or metal ties. It offers consistent use over many cycles and is equipped with padded non-slip handles for increased comfort and control.

Code	Ref.	Tie width	Length	Weight
405100	SF-39	2,4-9,0 mm	195 mm	0,3 Kg
