## Mini battery powered crimping tool

*Battery-powered hydraulic crimping tool, mini series, without dies*

### 20202 EBC-6SM

- No need to switch dies; crimping is performed using the self-adjusting punch for the appropriate cross-section.
- Suitable for crimping operations in narrow space.
- Light weight, fast crimping speed, easy to operate.
- Easily read all data via USB or Bluetooth.
- Featuring an innovative 2-stage telescopic cylinder.
- Equipped with a closed, articulated, rotating head.
- High performance, high capacity 18V lithium battery with power display, equipped with fast charger Melabo brand.
- Two LED working lights help work easier in dark area.
- PP plastic housing, sturdy.
- Include tool holder briefcase.

| Battery type        | Battery changer |
|---------------------|-----------------|
| 18 V 4.0 Ah, Li-ion | ASC 55          |

| Code   | Ref.    | Nominal Pressure | Maximum crimping force | Tool dimensions | Briefcase dimensions | Tool weight | Briefcase weight |
|--------|---------|------------------|------------------------|-----------------|----------------------|-------------|------------------|
| 412007 | EBC-6SM | 55 MPa           | 60 kN                  | 418x121x90 mm   | 530x420x130 mm       | 2.8 Kg      | 4.5 Kg           |

Crimping range

|                   |                        |
|-------------------|------------------------|
| Copper terminal   | 10-300 mm <sup>2</sup> |
| Aluminum terminal | 16-240 mm <sup>2</sup> |
