Battery-powered hydraulic crimping tool, mini series

20202 EBC-6M

- Suitable for crimping operations in confined spaces such as electrical cabinets, narrow boxes and similar environments.
- Extremely lightweight and easy to handle, this tool ensures maximum efficiency and comfort.
- Flip-top design for easy access to fittings.
- The head rotates 360 degrees.
- Automatic pressure relief.
- External smart LED display, easy to read and to record usage information.
- High-performance, high-capacity 18 V lithium battery with power indicator, equipped with a fast charger.
- Two LED work lights make operation easier in dark areas.
- PP plastic housing and carrying case, sturdy and durable.
- Supplied with a carrying case.

Battery type	Battery changer
18 V 4.0 Ah, Li-ion	ASC 72

Code	Ref.	Crimping force	Nominal pressure	Tool dimensions	Briefcase dimensions	Tool weight	Briefcase weight
412004	**EBC-6M**	63 kN	55 MPa	415x125x90 mm	530x420x130 mm	2.99 kg (incl. battery)	4.5 kg

Crimping range

Copper tubular terminals and sleeves	up to 300 mm²
Aluminum tubular terminals and sleeves	up to 185 mm²
