

Polyester-fiberglass Ladders

Safety

31504 EF/E

Manually extendable two-section ladder

- Rails and rungs entirely in fiberglass.
- With top wheels for ease of movement.
- The two sections can be used separately.
- Swivel feet as added safety element.
- Solid rungs for those most susceptible to wear and tear, increasing ladder's durability (first section of base part and last section of extendable part).
- Rung marked in red as per EN-131 standard to indicate highest rung limit and not for use.
