30404 CEN-7

Ear and neck cover

The CEN-7 ear and neck cover is designed to protect the ears, parts of the face and the neck against thermal hazards caused by electric arc exposure. The cover provides protection against electric arc (APC 2 – Box Test).
It is made of two layers of flame-retardant and antistatic fabric in navy blue.
It is compatible with ARMOUR helmets and is available in a single adaptable size.

CE According to standards: EN ISO 11611:2015, EN ISO 11612:2015, EN 61482-2:2020, GS-ET-29:2019-06.
