Insulated tools 1000 V / Pliers

30110 A-PFC-200

Insulated bent needle nose pliers - 200 mm

Code	Ref.	Capacity	Length
410021	**Plier A-PFC-200**	Ø 3.2 mm Ø 2.2 mm	200 mm

- For gripping, bending, cutting, and manipulating wires or cables in confined or hard-to-reach spaces.
- Its curved tip design allows for access to difficult angles and provides greater precision when working with small or delicate components.

1000 V / 22 - IEC 60900
