

## 30110 A-PFC-200

Insulated bent needle plier - 200 mm

Code	Ref.	Capacity	Length
410021	Plier A-PFC-200	Ø 3,2 mm Ø 2,2 mm	200 mm

- For gripping, bending, cutting, and manipulating wires or cables in confined or hard-to-reach spaces.
- Its curved tip design allows for access to difficult angles and provides greater precision when working with small or delicate components.
