Connections / Insulated terminals

11003 ACM

Insulated male bullet terminal

ACM terminals are manufactured from electrolytic copper strap with PVC insulation. They incorporate an internal sleeve that provides enhanced security against potential mechanical vibrations.

Code	Ref.	Section (mm²)	Dimensions (mm) W	L	B	C	x1.000	Bag	Box
305150	ACM-1,5	0.5-1.5	4.0	21.0	10.0	1.7	0.620	100	1600
305160	ACM-2,5	1.5-2.5				2.3	0.680	100	1600
