

# Shear Head Bolt Connectors

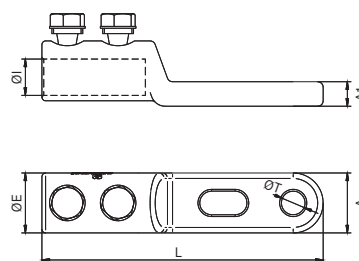

## Connections

### 10201 TTG2

#### Shear head bolt cable lug

TTG/2 cable lugs are manufactured in high conductivity smelted aluminium of purity higher than 99.5%, with a tinned surface finish over the entire surface of the cable lug by means of electrolytic bath.

Code	Ref.	Section (mm <sup>2</sup> )		Strip length			Dimensions (mm)							x 100		Bag		Box
