

11106 BRPV

Synthetic wall-mount support for screw fixing

BRPV clamps are designed for the installation of braided cables on facades. They are made of thermoplastic material, and their anchoring system is via a screw and plastic expansion plug.

Code	Ref.	Capacity Ø mm	Wall separation (mm)	 x 100	 Bag	 Box
364100	BRPV-1	25 to 55	10	6.800	-	50
364110	BRPV-6	25 to 55	60	8.300	-	50
