

Mod. BIP

Plasticized support for line connections

BIP supports are manufactured from plasticized stainless steel. No tool required for tightening. They are reusable. Especially designed for line connections.

Code	Ref.	Capacity Ø mm	Wall distance (mm)	 x 100	 Bag	 Box
367100	BIP-120 CF	10 to 22	10	10	-	100
367120	BIP-120 CV	10 to 22	10	10	-	100
