

## 367 BIP

Plasticized support for line connections

BIP supports are manufactured from plasticized stainless steel. No tool required for tightening. They are reusable. Especially designed for line connections.

Code	Ref.	Capacity Ø mm	Wall distance (mm)	 x 100	 Bag	 Box
367100	BIP-120 CF	10 to 22	10	10	-	100
367120	BIP-120 CV	10 to 22	10	10	-	100
367110	BIP-180 CF	10 to 42	10	10	-	100
367130	BIP-180 CV	10 to 42	10	10	-	100

Nail plug included.
