

# Conectores de Cobre

## Conexiones

### 10113 TCD

#### Terminal DIN 46235 de cobre reforzado

Los terminales de cobre TCD están fabricados en cobre electrolítico con un acabado superficial estañado para mejorar el contacto eléctrico.

Según DIN 46235.

Código	Ref.	Sección (mm <sup>2</sup> )		Dimensiones (mm)							Kg x 100	Bolsa	Caja
