Product Technical Specifications

Model LTE-CP400
Head light

Functionality

Multifunctional flashlight that turns on and off only with the gesture of the palm of the hand. Gesture detection saves the operator the need to remove insulating gloves, making it easy to perform any task.

The focus can be adjusted up to 45° to control the angle of light irradiation.

This flashlight has 5 light settings: white LED with strong light; white LED with weak light; white LED in short burst; red LED with strong light; red LED in short burst.

Model LTE-CP400

Head light

Product Features

- 400 LM
- Indoor and outdoor use
- Illumination distance 100m
- White LED and red LED
- 5 light settings: White LED with strong light; White LED with weak light; White LED in short burst; Red LED with strong light; Red LED in short burst
- Material: Aluminum alloy + ABS
- Shockproof
- Waterproof, IP64 protection rating
- Anti-fog
- Charging by micro USB
- Battery life: 8h Max.
- Battery Charging Time: 4-5h
- Product size: 7,3 x 4,8 x 4,8cm
- Net weight: 92g

Certificates

Conforms to standards:

CE Marking

RoHS compliant: Directive 2011/65/EU on the Restriction of Certain Hazardous Substances in Electrical and Electronic Equipment
